Company Profile

Our Story

YNI Projects (Pty) Ltd is a Level 1 B-BBEE, Black woman- and youth-owned enterprise specialising in goods supply, logistics, catering and events, advisory services, real estate and housing.

Established in 2018, YNI Projects serves public and private sector clients with a focus on reliable delivery, responsive service and practical solutions.

Ms Khanyisile Ndungane and her team bring entrepreneurial drive and a commitment to understanding each client's needs to YNI Projects. We coordinate people, suppliers and resources to turn agreed requirements into well-managed delivery.

Since its inception, **YNI Projects** has delivered projects and services across a range of sectors, building relationships through professionalism, consistent communication and quality service.

Our flexible business model combines a broad service portfolio with a network of suppliers and delivery partners, helping us respond efficiently to our customers' needs.

Company Profile

Our Value Statement

01 Our Vision

To be a trusted partner that connects supply, strategy and experiences, delivering practical solutions, well-managed projects and memorable events that help businesses and communities thrive.

02 Our Mission

We build partnerships with organisations that value product quality and service excellence. Through reliable sourcing, coordinated project delivery and attentive event management, we help clients achieve their goals and create lasting value.

Company Profile

Our Value Proposition

01 Level 1 B-BBEE supplier

YNI Projects offers access to a diverse range of goods through trusted supplier relationships. Our sourcing approach focuses on quality, competitive pricing and dependable fulfilment, with products selected to meet each client's specifications.

02 Woman-owned and managed

As a Black woman- and youth-owned enterprise, YNI Projects brings diversity, commitment and responsiveness to every partnership. Our ownership and management support clients' transformation and supplier diversity objectives.

03 Resourced, agile and committed

Our network of suppliers, logistics partners, contractors and professional specialists supports coordinated sourcing, project execution and delivery across a range of client requirements.

Company Profile

Our Service Offering

YNI Projects supplies goods and delivers coordinated logistics, catering, property and consulting services to public and private sector clients.

Transport & Logistics

Safe, reliable transport and delivery of goods and equipment. We coordinate route planning, packaging, handling and delivery schedules through suitable logistics partners.

Real Estate & Housing

Residential and commercial property development support, from planning and stakeholder coordination to procurement, delivery oversight and handover. Building works form part of the wider development process.

Goods Supply

Reliable sourcing, procurement and delivery of essential goods and commodities across diverse industries, with attention to product specifications, quality, competitive pricing and timely fulfilment.

Catering & Events

Catering and event coordination for private gatherings and corporate functions. Our offering combines tailored menus, professional service, supplier coordination and detailed planning for a well-managed guest experience.

Advisory Services

YNI Advisory provides hands-on management consulting and enterprise development support. We conduct research, diagnose business or operational challenges, develop credible business cases and help our clients implement measurable improvements.

Our Projects

YNI Projects has a track record of completed contracts and ongoing engagements across diverse sectors. These projects reflect our experience in coordinating suppliers, managing delivery and supporting client objectives.
